Re: United States v. OZ Africa Management GP, LLC, No. 1:16-cr-00515-NGG

Dear Judge Garaufis:

This letter is submitted with the consent of both the government and the defendant to request an adjustment to the briefing schedule in the above-referenced matter. Due to pre-existing professional commitments of Neal Rigby, the mine valuation expert who is preparing an updated valuation report for the Court, the Victims respectfully request that the briefing schedule proposed by the parties and accepted by the Court be pushed back by 18 days. Under the revised schedule, the opening brief of the government and the Victims will now be due on November 15, 2019. Defendant's brief would then be due on December 22, 2019, subject to its requests for discovery (as discussed at the recent conference), and reply briefs would follow on a schedule agreed to by the parties in order to account for the holidays.

Respectfully submitted,

WILSON SONSINI GOODRICH & ROSATI
Professional Corporation
